

Town of Christiana Application Instructions for Land Divisions, Conditional Use Permits, and Rezoning

Application forms for property owners interested in subdividing, rezoning, or obtaining conditional use permits may be downloaded here or obtained at the Town Office, 773 Koshkonong Road in Cambridge, WI 53523.

Before appearing before the Town Plan Commission, you will need a completed Density Study Report. Contact Dane County Planning and Development, 210 Martin Luther King, Jr. Blvd., Madison, WI 53703, Attn: Majid Allen, Room 116. Enclose a check for \$100 made payable to Dane County Planning and Development.

1. Please read the instructions on the Christiana Plan Application carefully, and fill out the entire application.
2. **Submit 9 copies of the completed Town Plan Commission application, the site plan, aerial photographs, and any supporting documents. Include a check for the application fee of \$200 made payable to the Town of Christiana in order to be placed on the Town Plan Commission meeting agenda.**
3. The Plan Commission meets on the fourth Tuesday of the month at 7:30 p.m. You must attend this meeting. Your application must be received *at least three weeks* prior to the fourth Tuesday of the month for it to be placed on that month's agenda.
4. **If a new driveway will be required, a driveway placement permit must be obtained from the Town Public Works Department prior to the application's placement on the Plan Commission agenda. Contact the Town Garage, (608) 423-3816, to arrange a time to meet. The driveway permit fee is \$100.00. If the driveway will be on a County road, you will also need to contact Dane County for their approval.**
5. After the Plan Commission takes action on your request, your application will be referred to the next month's regular Town Board Meeting. The Town Board meets on the second Tuesday of each month. You *must attend* that Town Board Meeting as well.
6. After the Town Board takes action on your application, you should then apply to Dane County (if you have not already done so) for your rezoning, conditional use permit, or land division.
